Crack Christian Commandos disguised as "Gay Zombies" marching in the Toronto shame parade handing out redemptive Gospel literature with accurate information on the health hazards of homosexual sex practices and the dangers of perverted Liberal politicians.

Dear Friends,

The Judicial Pre-Trial is over and I now have a trial date for the so-called hate crime charge that I am facing for ministering the Gospel and accurate medical and sociological information to the Toronto homosexual shame parade while disguised as a "gay" zombie. (I also applied to march in the shame parade as an openly Christian man, but the parade organizers were discriminatory and did not welcome me.)

The trial date has been set for January 6, 2020 and is scheduled to last four weeks in the Ontario Superior Court, 361 University St, Toronto, ON. The Crown has informed my lawyer Dan Santoro they will be seeking 18 months in jail.

Pray for God's protection and provision to be over me and pray for freedom and truth to prevail.
In Christ's Service,
Bill Whatcott
