The “Tolerant Left” strikes again. This time, gay liberals vandalized a Chick-fil-A (<https://www.bizpacreview.com/?s=Chick-fil-A>) restaurant in Manhattan during a gay pride parade in New York yesterday.

Vandals scrawled “F**k haters” across the restaurant’s window and covered it with a cross-shaped pink tape bearing the same obscene language.

Ironically, this show of hatred occurred during the NYC gay pride parade, whose purpose was to show love and tolerance for everyone – especially those who are different from you.

Gay liberals at the NYC gay pride parade slammed President Trump as a “fascist,” even as they support violent Antifa thugs and prioritize illegal aliens (<https://www.bizpacreview.com/2019/06/16/tucker-exposes-ice-bragging-about-program-for-transgender-illegal-aliens-taxpayers-pay-for-hormone-drugs-classes-more-765348>) over law-abiding Americans.

The "Tolerant Left" promotes bullying and violence against conservatives.

The Left objects to Chick-fil-A CEO's Christian beliefs

Through the years, Chick-fil-A has repeatedly been vandalized, boycotted, and attacked by the LGBT community and other left-wing activists because of its CEO's Christian beliefs.

Specifically, the left is still fuming over a comment that CEO Dan Cathy made in 2012 (that's seven years ago), when he had the temerity to say that he believes marriage is between a man and a woman.

Keep in mind that Barack Obama also opposed gay marriage until 2012.

*"We are very much supportive of the family – **the biblical definition of the family unit.** We are a family-owned business, a family-led business, and we are married to our first wives. We give God thanks for that. We want to do anything we possibly can to strengthen families.*

*We know that it might not be popular with everyone, but thank the Lord, **we live in a country where we can share our values and operate on biblical principles.**"*

'Tolerant left' has repeatedly vandalized Chik-fil-A

Those are Dan Cathy's personal, religious beliefs, and are protected under the First Amendment of the United States Constitution. Nevertheless, the left has repeatedly targeted Chick-fil-A because they think free-speech and freedom from religious persecution only applies to beliefs they approve of.

This is not the first time that the "tolerant left" has vandalized Chik-fil-A. In fact, leftists have repeatedly vandalized Chik-fil-A over its CEO's religious beliefs over the years, as evidenced by these photos.

Conservative gay journalist beaten this weekend; libs say nothing

Meanwhile, liberals and gays said nothing this weekend when

conservative gay journalist Andy Ngo was viciously beaten (<https://www.bizpacreview.com/2019/06/29/journalist-andy-ngo-attacked-by-antifa-members-in-brutal-video-police-call-protest-a-civil-disturbance-769976>)

by a group of Antifa thugs in Oregon as gay pride festivities took place around the country.

Ngo suffered a brain hemorrhage after being pelted with "milkshakes" containing quick-dry cement.

Libs support Islam, which considers homosexuality a sin punishable by death

Similarly, gay liberals repeatedly champion Islam even though they would be thrown off a roof in many Muslim countries, where being gay is a sin punishable by death.

*If a #Gay (https://twitter.com/hashtag/Gay?src=hash&ref_src=twsrc%5Etfw)
#Muslim (https://twitter.com/hashtag/Muslim?src=hash&ref_src=twsrc%5Etfw) is thrown from a roof, but no

Vandalism and violence are the tools of today's radical left

Vandalism and violent bullying are nothing new to today's radical left, whose goal is to silence and literally stomp anyone whose political beliefs they disagree with.

Last weekend, the headquarters of the Michigan Republican Party was vandalized with the obscene message (<https://www.bizpacreview.com/2019/06/24/michigan-gop-headquarters-vandalized-with-obscene-threat-against-ice-768229>)

"F– Ice" written in capitalized letters across the side of the building.

Over the weekend, @MIGOP (https://twitter.com/MIGOP?ref_src=twsrc%5Etfw) was vandalized attacking my previous role as an @ICEgov (https://twitter.com/ICEgov?ref_src=twsrc%5Etfw) agent.

This criminal act by the radical left will not intimidate me or my staff.

The vandalism of the Michigan GOP headquarters occurred around the same time that President Trump canceled a mass deportation raid that was scheduled for June 23 in 10 cities. Trump postponed the raids in response to groveling requests by Speaker of the House Nancy Pelosi, the leader of the Democratic Party.

Pelosi used the delay tactic to introduce a

\$4.5 billion border supplemental bill (<https://www.bizpacreview.com/2019/06/24/nancy-pelosi-proposes-emergency-border-bill-heres-a-list-of-what-is-in-it-768135>)

that provides NO funding for the wall, but uses taxpayer money to house, feed, educate, and provide legal services to illegal aliens who sneak across the U.S. border.
