MY COMMENTARY:

This is the Nazification of the United States medical establishment for implementing non-stop eugenics programs. The CDC, FDA, USDA, AMA, and other health organizations funded by the Federal Government are following what the Nazi medical establishment was doing under Hitler's dictatorship during World War II. The CDC (Center for Depopulation Control) is now playing the role and replacement of Dr. Josef Mengele, doctor of death, for deadly experimental injections of toxins to disable or murder populations. YES! History most has definitely a habit of repeating itself. And the only way CDC, FDA, USDA, AMA, and other health organizations of the Federal Government is by way of taxpayers, stealing from the Social Security funds funded by the taxpayers with fake IOU notes, a thief of pension funds, and printing billions of fiat paper money backed by nothing.

They have proven these tactics during the so-called COVID-19 pandemic by suppressing use of fighting whatever this weaponized virus was with the protocols like Ivermectin, Hydroxychloroquine, along with other natural supplements like D3, Melatonin, Quercetin, NAC, Vitamin C, Zinc, Magnesium, etc. Rather than a million in the United States that supposedly died from a virus nobody has a sample of, 80 to 90 percent would still be alive today if the Ivermectin, Hydroxychloroquine protocols had been used.

However, hospitals were under orders to use Dr. Anthony Fauci, the modern-day doctor of death Dr. Joseph Mengele, protocols of sending patients home to come back if their illness gets worse which is like telling someone to go home and if your appendicitis gets unbearable, come back to the hospital. So when admitting

patients in the hospitals, they follow Dr. Anthony Fauci protocol of IV injections of Remdesivir for an average of 6 or more days at a cost of over \$3,000 per day for which causes 30 to 50 percent renal failure, The next step is to place the patients on ventilators, and given MIDAZOLAM or Morphine or both that finished them off. And for every patient murdered by the hospital with Fauci protocols received anywhere of \$100,000 to as much as \$169,000 by the Federal Government that each death was to be listed as death by COVID. On top of that, any patients that died, it was forbidden by the government to perform autopsies. This was to cover up the real cause of most deaths that were contributed to the Fauci homicidal protocols.

But it doesn't end there. If hospital doctors used real protocols that worked like Ivermectin or Hydroxychloroquine, they were fired and lost their license. So doctors who practice medicine and follow the "Hippocratic Oath" of do no harm, are no longer being able to freely treat their patient, but instead have been dictated by the hospital administrators that are not doctors and practicing medicine without a license pushing Dr. Fauci protocols in order to receive assassination blood money.

Now, these same things are happening again with the COVID-19 serum injections that are not vaccines, but DNA gene altering, self-assembling nano-technology to, as Moderna's website says, installing the software of life, like a "plug and play" computer system constructing internally, function for sending and receiving frequencies along with the injected electrical charged graphene oxide to and from the WIFI(ed) individual. **REMEMBER!** Or did you not know or forgot? **THIS INJECTION IS AN EXPERIMENT!** If you really knew what was in these toxic shots, you would never have taken the to begin with. And now they are going to inject little babies with these toxic and deadly substances. As reported, eighty percent of women in their first trimester that received the COVID-19 injections miscarried. Can you imagine what the consequence is going to be to babies injected?

It is very evident that the United States government funding CDC, FDA, USDA, AMA, hospitals, and other health organizations are following the same direction as Germany's THIRD REICH under Hitler's eugenics program, but this time with the most advanced weaponized technology in the history of the world of Satanic proportions that only GOD Almighty can and will put a stop to.
